Artist Load-In:

- You may park in front of your marked booth space to unload. You will have 30 minutes to unload your work then move your vehicle.
- Volunteers will be on hand to help with load-in and monitor the exhibit route.
- When you park on the exhibit route to unload, please park as close to right, next to the tent/space marker as possible. We must keep an emergency lane open at all times and other artists will need to be able to pass on the left.

- We will do our best to address significant concerns regarding load-in times but we can only fit so many vehicles on the exhibit route at any given time. Email concerns to info@delmarmainstreet.com
